March 30, 2021

Dear School Community:

As we prepare for a much-needed break, we ask you *not* to take a break from everything. Please continue following, as a family, those public health precautions designed to protect you and others from COVID-19.

Please continue wearing a mask in public, wash your hands frequently and follow the recommendations for quarantine if you travel out of state or have been exposed to someone who has symptom(s) associated with COVID-19 or tests positive.

After Spring Break, on **Monday, April 12** we are set to transition our final group of students in **Pre-School** and **grades 7-12** back for five days of in-person learning. We want to ensure we can move forward with those plans and our schools remain open for all students choosing the in-person option.

Please help us finish this school year strong by doing your part to mitigate the spread of COVID-19 in our community and in our schools. The actions of a few have the potential to affect us all. We have asked much of you this year, and now we're asking you to do a bit more. Thank you so much for doing your part.

Please find time to unwind next week to take advantage of the relaxing charm and calming view of our communities while spending time with your family. Enjoy Spring Break!

Thank you,

Kathleen W. Taylor, Ed.D.
Superintendent
